RE: Zonta District 4 Conference Amelia Earhart Fellowship Fundraiser

Dear District 4 Club Presidents and Board:

The Amelia Earhart Fellowship Silent Basket Auction Fundraiser has become a tradition at the District 4 Conferences. Once again we are asking all clubs to participate in this fundraiser and help District 4 raise **\$2,000** for the Zonta International Amelia Earhart Fellowship. We hope we can count on your club to play a part in this event!

Club Participation:

Silent Auction-Basket: Each club is asked to donate a “basket” or items valued around \$100-\$150, with a tag on the outside of the basket with the club name, a list of the items in the basket and the value of the basket.

If your club prefers to donate \$100 for the Zonta International’s Amelia Earhart Fellowship instead of a silent auction basket, we will gladly accept your club’s check at the conference so that it can be included in District 4’s contribution.

Please contact Donna Ketchum-Colletta or Nancy McCulloch, District 4 Amelia Earhart Co-Chairs, to let them know if your club will be donating a basket or making a donation. This will help the committee prepare the right number of basket tables.

If no members of your club will be attending the District Conference, please make arrangements with your proxy club or a neighboring club to bring your marked basket or club’s check.

Conference Logistics

At the Registration table when you check in, please ask to be directed to the drop off location for the Amelia Earhart Fundraiser.

The Silent Auction for the baskets will end Saturday evening. Cash out will take place Saturday evening. It is preferred that items are paid for and removed Saturday evening but can also be done Sunday morning.

Canadian/US cash will be taken at par and Canadian/US checks will also be accepted.

If you have any questions or would like more information, please contact either Donna or Nancy.
