

# **LEGISLATIVE AWARENESS & ADVOCACY REPORT**

## **January 22, 2011**

Since our last Board meeting in November I have met with three Clubs. I had a luncheon meeting with Hamilton I and II and spoke at the Mississauga Club's dinner meeting. I am currently working on setting up a meeting with Brampton-Caledon.

As well I have continued doing the informercials monthly and have consulted with various AD's to answer questions. I also continue to monitor Women's enews for stories that might be of interest. If there is something noteworthy for my US counterpart I then forward it to her. There were also some informal discussions re LAA on the recent D4 Cruise in Hawaii.
