

CENTENNIAL ANNIVERSARY GRANTS

Background

The Zonta International Board has approved for consideration by the Convention body a special program for the 2018-2020 Biennium to honor our 100th year of service:

Centennial Anniversary Grants will be available to like-minded charity organizations who partner with a Zonta club. This will provide a great opportunity for Zonta clubs working with another charitable organization to directly improve women's and girls' lives in their community. The program will increase the impact of the club's activities in their communities while also strengthening the link between Zonta's local and international levels and promoting the good name of Zonta at the local level.

Amount

Grants will be awarded in amounts up to a maximum of US\$5,000 each. The maximum sum disbursed through this program will be US\$300,000. The funding for these grants has been approved by the Zonta International Foundation Board with payments being disbursed from the Rose Fund.

Criteria

The benefiting organization must:

- Describe its mission, organizational structure, and charity status and prove that it is allowed to collect donations.
- Confirm that it complies with diversity and health and safety standards.
- Describe how the money will be used, how much they need (max. US\$5,000) and method of payment.
- Specify how many women and girls would benefit from the grant.
- Confirm that the money will only be used to benefit women and girls in the Zonta club's local community.

- Prove that the partnership is in line with Zonta's affiliation policy and that the organization has a high reputation in their region/country.
