

Title: Zonta Club of Brampton-Caledon

From: June to December 2019

Date: November 14, 2019

To: Nita McCown Area 2 Director, Kary Grant

| Purpose of the report (please mark as many as applicable): Initiative | Specific Actions | Highlights/Challenges |
|--|--|---|
| Celebration of our 45 th anniversary | Our November Business meeting was dedicated to celebrating our 45 th anniversary and Zonta's 100 th anniversary. | We were pleased to have Lieutenant Governor Janice and Area Director Nita present. We also recognized teacher/mentors from 2 high schools that had won awards from Z.I. and District 4. |
| Membership | A potential new member attended our October meeting and has been given a membership package. One member resigned in November and is changing clubs. Two are considering changing their membership status due to family obligations. | 19 members in total - includes 1 on a LOA and 2 that are unable to attend meetings and considering their options. |
| Fundraising | Successful Zonta Classic Golf Tournament held in June Two bingo sessions per month all year, each with 2 members attending | Successful outcome with close to \$6,000 raised to support mental health programs for women. The bingo participation brings in an average of \$1200 per each session. The majority of members are trained to work these sessions. |
| Awards | YWPA 2020 has been advertised. Project Achieve info was mailed to all high schools in Brampton and Caledon | All 9 Z Clubs will receive the YWPA packages and be encouraged by the assigned member liaison to participate. To date, 10 schools have responded requesting the award and members have gone to the school award ceremonies to give out in person. |
| Advocacy | Members participated at the Enroute location on Hwy 400 on the Int. Day to End Trafficking media and advocacy. In partnership with the PRLC, we hosted an All-Party Debate at Brampton City Hall prior to the Federal Election. | Although not organized by Zonta, there was an invitation to participate/advocate and it also provided an opportunity for the traveling flag to be displayed. Successful first-time partnership with new organization and opportunity for greater visibility in the community and awareness amongst candidates. |
