

## Zonta District 4 Conference Amelia Earhart Fellowship Fundraiser

The 57th Zonta District 4 Conference will be held on-line on September 24-25, 2021.

Once again we are asking clubs to participate in fundraising for the Amelia Earhart Fellowship Program in celebration of the District 4 conference. Our target is to raise the funds to cover the cost of two fellowships in this biennium to honour our current International President and AE Fellow, Sharon Langenbeck.

This Amelia Earhart Fundraiser has been done for the past 14 years and always at the conference. This does not replace the annual request that clubs donate to the ZI Foundation from their club fundraisers for the Foundation education funds and International Projects.

In past conferences clubs have been asked to donate either \$100 or a basket of equivalent value to be auctioned at a silent auction plus small items for a raffle. At the last District 4 Conference in 2019, every club in District 4 participated in this event! With a virtual conference, baskets are too problematic logistically.

This year we ask clubs to make a suggested donation of **\$100 US** by cheque payable to Zonta District 4, and note that the funds are for the District 4 AE fundraiser. The committee members will collect the cheques and mail them to the D4 Treasurer. Then District 4 sends one large check to ZI especially earmarked for just the Amelia Earhart Fellowship.

**A response is requested by August 31, 2021.**

Regards,

Holly Anderson, District 4 Amelia Earhart Fellowship Committee Chair
