

## Request for Donations

During the Fall District Conference we will be assembling and providing items for a Women's shelter in St. Catharines – which is near the Conference site. It is called Gillian's Place and they house about 30 women and 30 children at a time.

They are in need of shampoo, conditioner, body wash and lotion, feminine hygiene products, deodorant, school snacks, pasta, pasta sauce, socks, slippers, notebooks and pens, journals, colouring books etc. Gift cards are also welcome from grocery stores, Walmart, Shoppers drug mart.

Treats in the way of gum, chocolate etc, . I think would also make them happy.

Let's brighten their day with some necessary and fun items.

I will have a box at each summit to collect items. Any donations are welcome.

Thanks for you help. **Let's turn their frown upside down!**
